Bolivar, MO 65613

Dear Jody:

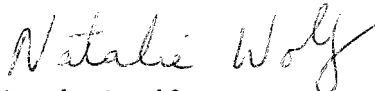

On behalf of the Bolivar Primary and Intermediate School Parent Teacher Associations, I would like to formally thank you for your recent donation to the Reading Is Fundamental program.

During the months of November 2008, February and April 2009, over 1,100 students at the Bolivar Primary, Intermediate, and Developmentally Disabled schools will receive free books through the RIF program.

I would like to extend an invitation to each of you to come and see for yourself the impact that the Reading Is Fundamental program has on our students. If you would like to be involved in any way or even if you would just like to stop by and watch, please call me at 770-5446 and I will give you further details.

Working with the Reading Is Fundamental program has by far been the most rewarding part of my involvement with the PTA. I truly appreciate your support of this program and of our organization.

Sincerely,

Natalie Wolf  
Bolivar PTA RIF Coordinator
