To Whom It May Concern:

Shelenhamer Construction, LLC was the General Contractor for St. Louis' Incredible Pizza Company in St. Louis, MO. We were extremely pleased with their performance during the course of construction.

Shelenhamer Construction remodeled a 60,000 square foot building to accommodate our restaurant, as well as our mini golf, bowling, bumper car, and go kart attractions. The superintendent did an amazing job scheduling all of the subcontractors to ensure our project was completed on time and within budget. Based on their performance, I would recommend Shelenhamer Construction as a general contractor.

Sincerely,

Karen Wilson
