Dear Jody Shelenhamer,

On behalf of the Board of Directors and staff of Enterprises Unlimited Inc. Allow us to thank you personally for your \$320.00 contribution. Your thoughtful and generous support will help us continue to meet the needs of persons with disabilities and provide meaningful employment in a work place with dignity in a clean and safe environment. Our efforts to enrich and enhance the lives of people who often face major challenges with minimum resources are made possible by donors such as you. No goods or services were provided in exchange for your generous financial donation. Enterprises Unlimited Inc. is a 501 (c)3 nonprofit organization. Thank you for supporting our Fraser-York friends golf tournament on 09-28-2007.

Sincerely,

Thanks
