To Whom It May Concern:

Please accept my letter of recommendation for Shelenhamer Construction to your organization. They were the general contractor for our new Battlefield City Hall and Police Station. Shelenhamer Construction's business practices were efficient and professional. They were cooperative in every phase of the construction and kept their written and verbal commitments. Shelenhamer Construction maintained their schedule and completed the job within budget. The new City Hall is fully operational, well built, and meets our expectations.

I recommend Mr. Shelenhamer and his organization to you. We would not hesitate to do business with Shelenhamer Construction in the future.

Sincerely,

Michelle Heslep

Mayor
