To Whom It May Concern:

The following is a letter of referral for Shelenhamer Construction from Golden Corral #2532 of Springfield, Missouri. We have been exceptionally pleased with their performance in the course of the completion of our store. The timeliness and professionalism that they have displayed has left us well pleased with our choice of them for this current project. Based on their performance on this project, we will certainly include them for any future projects.

I have found both Jody Shelenhamer and his crew's display the highest concern for quality and attention to detail. It is a pleasure to know that all commitments whether written or verbal have been met and fulfilled with equal alacrity.

Should there be need for any further inquiries please feel free to contact myself or any member of our management team at (417) - 862 - 6800.

Respectfully:

A handwritten signature in blue ink that reads "Dan".
